

St. Pius X Regional School

A REGIONAL CONCEPT

St. Pius X School was founded in 1962 as a co-educational parish school and designated a regional school in 1990. Renamed the St. Pius X Regional School, it now serves the registered, practicing, and contributing parishioners of Ascension, Sacred Heart, St. Edward the Confessor, and St. Pius X Parishes. If there are vacancies students from neighboring parishes and the community at large may be admitted to St. Pius X Regional School, providing they meet the admissions requirements.

PHILOSOPHY

St. Pius X Regional School embodies the belief that Catholic Schools are an extension of the Catholic Church's mission. To that end, St. Pius' purpose is to teach the message of Jesus, to worship and pray together, to build community, and to serve others. It is the primary aim of our Catholic School to provide an environment and an educational program that builds faith, academic excellence, values, and service to others.

Our school fosters innovative programs that prepare students for life in a rapidly changing society. The development of academic skills is at the core of our curriculum. These skills are taught through a variety of approaches at all levels of instruction. We believe the intellectual development of each child takes place through manipulative, motor, and sensory activities, as well as through abstract and critical thinking level activities. In recognizing that curriculum is dynamic and ever evolving, teachers use the specific educational methods that are most effective with their students, while at the same time ensuring that the curriculum guidelines meet our Catholic values.

Our school is rooted in the belief that Jesus is alive today within the community of the faithful, the Church. St. Pius X Regional School is a faith community that instills in its students, a commitment to render service to the people of God. We are a partnership of believers, parents, teachers, and students, endeavoring to establish reciprocal feelings of respect, regard, and appreciation for one another.

An education at St. Pius X Regional School provides each child with the foundation that enables the students to cope with daily life situations, to succeed in higher education, and to accept the responsibility for spreading the faith and Good News of Jesus Christ. Every child is encouraged to exercise sound judgment based on Gospel principles as he/she grows to adulthood in the Catholic community.

MISSION STATEMENT

St. Pius X Regional School serves four regional parishes in the Bowie area. Through the co-operation of the faculty and parents, the school seeks to support the diversity of student needs and learning styles, while nourishing the spiritual, intellectual, physical, social, and emotional growth of its students. With a commitment to spiritual and professional development for the faculty and staff, we strive to be grounded in the spirit of Gospel values, and to be knowledgeable in an ever-changing educational society. St. Pius X Regional School sends into society a child well equipped with a strong education based on Catholic values. It strives to “teach what we believe and... live what we teach.”

PARENT/GUARDIAN ROLE IN EDUCATION

We, at St. Pius X Regional School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child’s life--- physically, mentally, spiritually, emotionally, and psychologically. Your choice of St. Pius X Regional School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at St. Pius X Regional School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

PARENT/GUARDIAN COOPERATION

Parents/Guardians and students understand and acknowledge the Roman Catholic religious nature of St. Pius X Regional School. Parents/Guardians and students agree not to publicly repudiate the teachings and traditions of the Roman Catholic Church, and will respect and support the unique identity that St. Pius X Regional School derives from its Catholic faith. As the primary educators of their children, parents/guardians will not act in ways that contradict the Catholic nature of St. Pius X Regional School. Parents/Guardians shall cooperate fully with the school, and the students shall participate in all required school programming, including instruction in the Catholic faith and attendance at Mass. As the primary educators of the students, parents/guardians agree to act in ways that promote the best interests of the church and school and will comply with the policies of the Archdiocese of Washington and St. Pius X Regional School.

EMERGENCY MANAGEMENT AND RESPONSE PLAN

The school has a comprehensive emergency management and response plan which has been approved by the Archdiocese of Washington. This plan provides prevention, preparedness, response and recovery in case of any emergency. Routine safety drills are scheduled throughout the year.

THREATS

In the event of any actual or perceived threat of violence or other inappropriate/illegal behavior, St. Pius X Regional School reserves its right to take any and all actions it deems necessary for the health and safety of its school community, including the individual(s) making the threat. These actions may include contacting law enforcement offices, mental health professionals and/or any other outside experts as the school official(s) deems necessary.

ARCHDIOCESAN CATHOLIC SCHOOL COUNSELING SERVICES

In the event of an emergency or crisis, the Archdiocese of Washington may send a team of school counseling professionals to St. Pius X Regional School. One-time initial counseling services may be rendered to students by school or archdiocesan counseling staff in the event of a crisis or emergency.

THE SCHOOL ADVISORY BOARD

The School Advisory Board was established to provide advice, assistance, and long-term planning to the school's Administrative Team (pastor and principal) in the governance of the St. Pius X Regional School. The Board provides this through the functions of: Planning, Policy Development, Finance, Facilities, Communications and Public Relations, Financial Development, and Evaluation.

The Board consists of non-voting and voting members. The non-voting members consist of the pastor and principal. The voting members consist of a faculty member appointed by the principal, a minimum of two members from each of the four regional parishes, one at-large member from one of the regional parishes, and the HSA president or appointed HSA representative. The term of a Board member is three years and is renewable. The Officers are elected annually for a one year term. The Board meets monthly throughout the school year. Parents/Guardians interested in becoming a Board member or who would like to nominate a candidate should email the Board Secretary for further instruction.

THE HOME AND SCHOOL ASSOCIATION

The Home and School Association (HSA) of St. Pius X Regional School was founded to help parents and teachers acquire a profound appreciation of the ideals of Catholic Education; to promote a clearer understanding of the mutual educational responsibilities of parents and teachers; to encourage the home and school to a greater degree of cooperation in discharging their joint responsibilities; to engage in cultural, civic, legislative, educational, charitable, social and other activities which further the interests of the Association and its membership.

The membership of the Home and School Association consists of the mothers, fathers, or guardians of currently enrolled students of St. Pius X Regional School and members of the faculty.

Officers (President, Vice-President, Secretary and Treasurer) are elected each year by the parents/guardians attending the final HSA meeting of the school year. The Home and School Association is responsible for the record keeping of the Volunteer Service Program (VSP) and Fundraising Programs (FSO). The Association will appoint a person or persons to collect, collate, and account for all VSP hours worked and all FSO monies collected from individual school families. The Chairpersons will report directly to the school Bursar.

Association general meetings are held in September, November, January, March, and May. See the school calendar for specific dates and times.

To encourage attendance at the Home and School Association meetings, families who have attended all meetings will have their attendance card placed in a raffle drawing. At the final Association meeting of the year a winner will be drawn. The winner will be the recipient of free tuition for the next school year.

ADMISSIONS AND CONTINUING ENROLLMENT POLICY

St. Pius X Regional School exists to supplement the efforts of Catholic parents in the training and formation of their children according to the message and teaching of Jesus Christ, as proposed by the Church. The School's chief value, therefore, and its primary obligation, is to parents whose commitment to this philosophy is evidenced by their being registered, practicing and contributing members of their local parish. Hence, in our admission policy, while no child is barred from admission, preferential consideration will, nevertheless, be given to members of the four supporting parishes (Ascension, Sacred Heart, St. Edward the Confessor and St. Pius X). Members, as defined by the Pastors of these four parishes, will be given first preference in admission to the School. Should there be insufficient space to enroll all members of the supporting parishes desiring admission, admission and continuing enrollment will be determined in the following manner:

1. Students already enrolled in St. Pius X Regional School (Pre-K – 8) from the previous year whose parents are known to be registered, practicing and regular, consistent, contributing members of their local parish by their use of weekly or monthly envelopes
2. Children from participating parishes who have brothers or sisters in the school (Pre-K – 8), whose parents are known to be registered, practicing and regular, consistent, contributing members of their local parish by their use of weekly or monthly envelopes
3. Children, with the recommendation of their Pastor, who are from outside the participating four parishes, but within the Archdiocese of Washington, who have brothers or sisters enrolled in the school
4. Non-Catholic children who have brothers or sisters enrolled in the school
5. Children from participating parishes whose parents are known to be registered, practicing and regular, consistent, contributing members of their local parish through their use of weekly or monthly envelopes
6. Children, with the recommendation of their Pastor, who are from other parishes within the Archdiocese of Washington
7. Children, with the recommendation of their Pastor, who are from parishes outside the Archdiocese of Washington
8. Non-Catholic children
 - **All families must have their Pastoral recommendation renewed each year.**
 - **While the children of Regional parishioners and their siblings are given every consideration, other factors including, but not limited to, behavior, academic assessments and records influence admission.**

All admissions into the School are at the discretion of the Principal and the Pastoral Administrator.

GENERAL INFORMATION

THURSDAY NEWSNOTES

The Thursday Newsnotes are the School's official source of communication and should be read each week. The Newsnotes are emailed to you weekly and are posted on our website. Each parent must go to www.stpiusbowie.org and click on "Email Registration" in the box on the left side of the page. Be sure to check your INBOX and "Confirm" to finalize the process.

TELEPHONE BROADCAST SYSTEM

The telephone broadcast system that we use at St. Pius X Regional School enables us to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. **NOTE: Because we follow the decision of the Prince George's County Public Schools in the event of inclement weather, we do NOT use this service to announce such events when PGCPs system is in session.** The service may also be used from time to time to communicate general announcements or reminders. When used, the service will simultaneously call all phone numbers in our parent contact lists and will deliver a recorded message from a school administrator.

HEALTH ROOM AND FAMILY INFORMATION FORMS

The first day of school each student will be given Health Room and Family Information forms, which must be completed by the parent/guardian and returned the following day. It is essential that you notify the School Office and/or Health Room ASAP of any changes which occur during the school year, especially regarding phone numbers, emergency contact information and authorized parent alternates/representatives, work phone numbers, home addresses, and new health issues, injuries or medication changes. It is imperative that we have on record any physical problems your child has or develops during the school year. Parents/Guardians are responsible for updating all information on TADS.

ARRIVAL

Adult supervision in the schoolyard at the St. Pius campus begins at 7:30 A.M. The School will not assume responsibility for children who arrive earlier than 7:30 A.M. **Please do NOT bring dogs.**

Students in grades K – 4: line up on the playground by 8:00 A.M. Arriving after 8:10 A.M. will be considered late.

Students in grades 5 – 8: line up on the playground by 7:50 A.M. Arriving after 8:00 A.M. will be considered late.

Students in Pre-K: will be met by their teacher at the back door near Nelson Hall. They should arrive between 8:00 A.M. and 8:05 A.M. Adult supervision in the classroom begins at 8:00 A.M.

LATE (TARDY) POLICY

All children are expected to arrive at school on time (see times above). Children who are tardy not only miss instruction, but also distract other students during instruction time. Parents will receive official notice from the school after their child's 3rd late arrival. After the child's 3rd late arrival, the

school will impose a consequence for each tardy as listed below:

Students in grades Pre-K – 4: A conference with the school/parent will be required if there are persistent unexcused tardies.

Students in grades 5 – 8: receive 1 demerit for each tardy. An accumulation of 6 demerits for tardiness will result in a detention. If tardiness persists, a conference with the school/parent will be required.

DISMISSAL

Students in grades K – 8 dismiss at 3:00 P.M. on full days and at 1:00 P.M. on half days.

Students in Pre-K dismiss at 2:30 P.M. on full days and at 12:30 P.M. on half days at the back doors near Nelson Hall.

EARLY DISMISSAL

Only a parent may pick up his/her child unless express written permission has been given to the school. If someone other than a parent is picking up a child we **MUST** have a note signed by the parent stating the name of the person (even if the person is listed as a contact on the Family Information Card in the event of an emergency) picking up his/her child, the date and time of the early dismissal. We will also ask for proper identification. No child will be released unless the School is certain that it is in accordance with the wishes of the parent.

It is very helpful to the teacher if a note is sent indicating that an early dismissal is necessary. All early dismissals must occur before 2:30 p.m. No early dismissals before holidays or last day of school are allowed. This is very disruptive to the whole class.

LATENESS AT AFTERNOON PICKUP AT THE ST. PIUS CAMPUS

Students who are not picked up by 3:30 P.M. (1:30 P.M. on half-days) will be taken to the school lobby to await your arrival. Parents must come into the lobby and sign the late pickup book. Do not ask your children to walk from the school to the Public Library, local shopping centers or street corners to await their carpools. Children **who are not accompanied by an adult or do not have a walker's pass** are not permitted to walk from the school property at dismissal. {See page 29 for more details on obtaining a walker's pass.}

LATE PICKUP FEE

Families whose children are not picked up from school at the St. Pius campus by 3:30 P.M. on a regular dismissal day and at 1:30 P.M. on an early dismissal day **will be charged a fee of \$1.00 per child for each minute beyond 3:30 P.M. or 1:30 P.M. The fee is to be paid at time of pickup.**

ARCHDIOCESAN SCHOOL ATTENDANCE

The following are valid reasons for excused absences from school (if properly documented by the student's parent or guardian upon the student's return to school):

1. Illness of the student (after three days of illness, student must provide medical documentation that indicates that the student is able to return to school);
2. Death in the student's immediate family;

3. Necessity for a student to attend a judicial proceeding;
4. Lawful suspension or exclusion from school by chief administrative officer;
5. Temporary closing of facilities or suspension of classes due to severe weather, official activities, holidays, malfunctioning equipment, unsafe or unsanitary conditions, or other conditions requiring closing or suspension of classes; and
6. Other absence(s) approved in advance by the principal upon the written request of a parent or guardian. Sufficient notice should be given to the school in order to provide expected student work to be completed while absent. Failure to provide sufficient time may result in an unexcused absence.

Any absence that does not fall into one of the above categories, or is not properly documented by the student's parent/guardian, is an unexcused absence.

UNEXCUSED ABSENCES (vacations)

Vacations are not considered excused absences. Vacations should be planned to coincide with the school calendar. No school work will be given ahead of time. Teachers will give a due date for missed work while on the unexcused absence. The student will receive a 0% if not turned in by the due date.

ABSENCE AND GRADES

Students who are absent on the day a recorded grade is given for homework, class work, or tests, **must take the initiative** to hand in the assigned homework, and make up the missed assignment or test. Details are outlined in the HOMEWORK ASSIGNMENTS section below.

HOMEWORK ASSIGNMENTS AND LONG-TERM PROJECT GUIDELINES

1. Homework, which is properly designed and planned to meet the needs of each student, has a definite place in the educational program. Its purpose is to foster habits of independent work-study and reinforce learning that has taken place in school. Homework will be given daily, except for FRIDAYS. The general guidelines are as follows:
 1. Grades K – 1 10 to 20 minutes daily
 2. Grades 2 – 3 20 to 30 minutes daily
 3. Grades 4 – 5 40 to 60 minutes daily
 4. Grades 6 – 8 1-1/2 to 2 hours daily
2. Parents/guardians are expected to support and comply with these homework guidelines and additional guidelines specified by their child's teacher. Homework will be scheduled in such a manner so as not to encroach on the students' needs for rest, relaxation and family activities. In such cases where parents believe a homework assignment is more than their child can complete and/or it is no longer contributing to their child's learning process, they may have their child defer doing the homework assignment, without consequence, by simply signing the homework sheet and writing a brief note to the teacher.
3. Homework is to be kept to a minimum over the long vacation periods such as Thanksgiving, Christmas, and Easter. Long-term projects may **NOT** be due on the first day back to school.
4. Students are responsible for all homework assignments. Absences from school, tardiness, shadowing, vacation, suspension, early dismissals, band lessons, rehearsals, etc., are not acceptable reasons for not having the required homework assignments.
5. St. Pius X Regional School discourages vacations during the school year. However, if a student is going on vacation, notification should be given to the school office in advance. All missed assignments and work will be assembled during the absence and given to the student

upon return.

6. In case of absence due to illness, students are permitted to make up their missed assignments or tests within the same number of days the student was absent. Example: If a student misses 4 days, the student will have 4 days in which to complete all assignments.
7. It is the responsibility of the student and parents/guardians to obtain from the teacher(s) all assignments and tests required to be made up because of absence. Homework assignments for absent students will be placed in the homework cubbies to be picked up by siblings, friends or parents between 3:00 and 6:00 p.m. If you know your child is going to be absent, it is advantageous to notify a classmate and have him or her get the homework assignments and all necessary books.
8. It is the responsibility of the student to hand in all completed make-up work to the appropriate teacher(s) within the allotted time.
9. It is the responsibility of parents to check tests and other school work handed back by the teacher. Please check the students' "Thursday Folder."

REPORT CARDS

Report cards are distributed quarterly. Marks are based on the actual achievement of the student according to his or her grade or level of instruction. These marks are based on each student's daily performance, homework assignments, weekly tests, unit tests and in the upper grades, the results of projects, term papers and semester tests.

Conferences for all parents of students in grades Pre-K through 5 will be scheduled after the first quarter coinciding with the release of the first report card on Friday, November 11, 2016. You will be notified in advance of your scheduled conference time. Please be on time for your conference. The schedule allows little time between appointments. Any conferences held after this date are held at a teacher's or parent's request.

Conferences will NOT be scheduled for parents of students in grades 6 through 8. An online scheduler is used. Instructions and a link will be sent to parents in late October. Parents should sign up for a specific conference time with any teacher(s) they wish to see that day. Conferences may be scheduled from 8:00 a.m. to 11:30 a.m. and from 12:20 p.m. to 3:00 p.m. All of the middle school teachers will be available for conferences. You are encouraged to conference with any teacher that you think necessary. Report cards will be sent home with middle school students on Thursday, November 10, 2016.

Pre-K and kindergarten students will not receive a report card until January; however, a parent-teacher conference will be held on Friday, November 11, 2016. You will be notified in advance of your scheduled conference time. Please be on time for your conference. The schedule allows little time between appointments. Any conferences held after this date will be held at a teacher's or parent's request.

REPORT CARD CONFERENCES CANNOT BE HELD FOR STUDENTS WITH UNPAID TUITION.

HONOR ROLL GUIDELINES

Students in grades 6 through 8 must meet the following criteria in order to be eligible for First Honors or Second Honors.

First Honors:

- All A's
- No I's or U's in Specials
- No detentions

Second Honors:

- A's and B's
- No I's or U's in Specials
- No detentions

GRADING

All grades are based on the degree of success the individual student has achieved in completing the program designed to meet his or her needs. Students will be graded according to their abilities and achievements. So that students will be aware of the grading procedures of their teachers, each teacher will give students a copy of their method and procedures. A copy of the teacher's grading procedures will also be given to the parents.

PROGRESS REPORTS

At the midpoint of each quarter (see the school calendar for dates) notice of unsatisfactory work will be sent to the parents of students who are failing or in danger of failing subjects. After this notification, it is the responsibility of the parent to check with the teacher on their child's progress. Progress Reports will be sent to you through your child. All Reports must be signed and returned to the school the day after they are received. The receipt of a Progress Report does not mean failure for the marking period nor does the absence of a Progress Report guarantee the passing of a subject.

CLASS PLACEMENT OF STUDENTS

In making decisions on the classroom placement of students the school will consider the following:

1. Girl – Boy balance
2. Familial relationship
3. Ability grouping
4. Recommendations of the Resource/Counseling Center
5. Recommendations of previous year's teachers
6. Teachers' strengths (matching a class's needs with a teacher's strengths)

Parental choice, mixing classes to improve socialization and other commonly requested considerations will be considered **only** after the criteria listed above have been fully met and as long as it does not impact on the proper placement of other students. All requests for placement must be emailed to Mrs. Janet Schrom at jschrom@stpiousbowie.org by **the first Friday in May** and must include detailed reasons for the request. Please send a separate email for each child, list the child's present grade and homeroom, list the teacher you are requesting, and give your name, address and telephone number.

RETENTION AND REQUIRED SUMMER SCHOOL

Parents will be notified by the end of the second quarter if there is any possibility of their child being retained in a grade for the coming academic year.

Retention in the primary grades is normally dependent upon the development of reading and language arts skills. Retention of students in grades 4 through 8 is normally dependent on achievement in the basic skills subjects: reading, math, and language arts. Failure in two of the basic skills subjects or in one of the basic skills subjects plus another academic subject is a basis for retention.

If a student fails for the year in any of the major subjects (Math, Reading, English or Phonics), he or she will be required to attend summer school. Written proof of attendance and grades received will be required before the student will be promoted to the next grade the following school year. If a student fails any subject for which summer classes are not available, he or she will be required to be tutored by an approved tutor in these subjects. The number of hours of tutoring will be specified by the school.

RECESS

Please do not ask that your child remain indoors during recess or lunch hour. If students are too sick to go outdoors, they should remain at home. The only exception allowed is to those students who have a physician's note.

Children are not allowed in their classroom before the morning bell or at recess without specific permission from the teacher. Whenever students are in a classroom a teacher must accompany them.

OFFICE HOURS

The office is open from 7:45 A.M. to 3:30 P.M. when school is in session. The office is open during the summer every Monday through Thursday, with the exception of July 4, from 9:00 A.M. to noon.

SEVERE WEATHER OR OTHER EMERGENCY

In case of an emergency or severe weather*, we will follow the decision of the Prince George's County Public Schools (PGCPS). However, if PGCPS begin late (whether one or two hours) on a scheduled half-day, St. Pius will **NOT** dismiss at 1:00 P.M., but at 3:00 P.M. Whenever school closes early, all after-school activities and meetings are cancelled.

ESP (before and after care program) will operate on a modified schedule. Please listen to television and radio reports for all school closings or late openings. If school closes early for any reason, please wait until the announced dismissal time to pick up your children. It is very disruptive to the teacher and other students when numerous children are being called from the classrooms for early dismissals.

***Since St. Pius is air-conditioned we will NOT close for excessive heat even if the Prince George's County Public Schools close.**

PHONE CALLS

Any parent wishing to call the School for any reason may feel free to do so. The school office phone number is 301-262-0203.

Parents are not to call the Principal, teachers, or other staff at their homes at any time. All appointments and phone messages should be made through the school office.

The office telephone is a business phone and should be used by the students for **EMERGENCIES ONLY. Calls by students to arrange after school visits, to have forgotten Tag Day clothes sent to school, to ask for money for special lunches, or other similar requests do NOT constitute emergencies and will not be permitted.**

VISITORS

All visitors, including parents, must enter through the front entrance of the school, sign in and obtain a visitor's pass. Upon leaving the school all persons must report back to the office to sign out and return the pass.

CELL PHONES

Cell phones should not be brought to school. If an exception needs to be made due to a specific situation, permission must be granted by an administrator. If a student needs a cell phone for after school hours, he/she should turn the cell phone in to the homeroom teacher upon arrival at school. The phone may be picked up at dismissal. It should not be used/turned on until the student is off school property.

If a cell phone is seen or heard it will be confiscated by the teacher or administrator and a parent will be required to come to the school to reclaim the phone. After the first offense demerits and/or other disciplinary action may be taken.

MONIES

All payments or money sent to school must be placed in an envelope clearly marked with your child's name, grade, the amount and purpose of the money. Children sent to school with **cash** are responsible for it until it is given to the proper person. The children should not bring personal cash to school.

MILK PROGRAM

Milk will be provided to students in Pre-K through grade 8 beginning on their first full day of school. A milk order form will be sent home with each child on the first day of school and should be returned the next day.

LUNCHES

St. Pius X Regional School has partnered with "**LunchBox**" so parents are able to buy and pay for lunches online through their online ordering program. "**LunchBox**" provides a fresh fruit, fresh vegetable, portion-controlled entrée and mini dessert in bagged lunches daily. LIBRARY

Students are given written notification of overdue library materials periodically throughout the school year. All books must be returned or paid for by the end of each school year. Report cards will not be given to children if they have any outstanding library material. Students must comply with library regulations to have library privileges renewed for the following year.

SPORTS – ST. PIUS X CAVALIERS

Our school is part of the Washington Archdiocese CYO (Catholic Youth Organization) Sports

Program. All students – boys and girls – in grades 3 through 8 from our school, as well as children from our four Regional Parishes of Ascension, Sacred Heart, St. Edward’s, and St. Pius are eligible to participate.

We field many teams for fall soccer, winter basketball, and spring baseball (boys) and softball (girls). Registration is held ahead of each season at the school. Announcements of registration dates, time and location will be in the Newsnotes.

FIELD TRIPS

Field trips and visits to local exhibits are encouraged and permitted provided they have educational value. Permission for these trips will be cleared with the parents through a written permission slip. This slip must be signed by the parent and returned to the classroom teacher. No child will be permitted on a field trip without this signed permission slip. Phone calls or written notes are not considered acceptable forms of permission.

Only *pre-authorized* emergency medications are legally permitted to accompany a student on field trips. Also, students may not carry their own medication unless previously approved; a parent note sent in on the day of the trip is not acceptable. Refer to our school website under “Health Room Information” for medication policies during school hours and school-sponsored activities/field trips.

Transportation and arrangements for all field trips will be made by the school.

Parents who are in compliance with the Archdiocese of Washington Child Protection Policy will be needed to act as chaperones on field trips.

No siblings will be released early when field trips return.

ALCOHOL CONSUMPTION

Alcohol may not be consumed or served at any school function where minors are present.

HEALTH ROOM

A Licensed Registered Nurse (RN) is on duty in the School Health Room daily from 7:30 A.M. to 3:30 P.M. throughout the regular school year. For questions or concerns, call 301-262-0203 ext. 12 or email jmoling@stpiusbowie.org

Refer to the St. Pius X School’s website for “Health Room Information” under the Parents’ tab for important health alerts, general information, School Health policies & guidelines, *Medication Policies & Guidelines, Health Room & Medication forms, school-age health topics, and additional info links.

***NOTE:** Unauthorized medication (including over-the-counter medicines), medicated products, or illicit substances are not allowed in student’s possession on school property; such items will be confiscated. Parent/Guardian, Administration, and Police will be notified, as indicated. Please review “Medication Policies & Guidelines for Parents” posted on the School’s website under “Health Room Information.”

Please be aware that the School-day Health Room and the ESP Before & After Care Program are separate entities. The Health Room is an on-campus secure facility, staffed by a Maryland licensed RN, and is governed by State of Maryland laws and the Archdiocesan School system. The on-campus ESP Program is a daycare operation that is licensed by the PG County Office of Child Care;

please consult ESP Administrators for their Program details and operating policies.

MEDICAL RECORDS

Every student entering St. Pius X Regional School must comply with the Archdiocese of Washington health policies and the State of Maryland's school immunization requirements. Prior to your child's attendance, you must provide a completed and signed 4-page Archdiocese of Washington Immunization Policy Acknowledgement (Form 3); this packet includes a current record of completed immunizations and a Physician's health exam.

You are expected to provide the school with updated records documenting any additional immunizations, health exams, or major illness/injury. As the Parent/Guardian, you are responsible for helping keep school health records current; your Physician/Licensed Provider will not automatically send new information to the school (due to HIPAA laws), so you must request copies of updated records and forward them to the School Nurse.

The P.G. County Health Dept., on behalf of the State of Maryland Dept. of Health and Mental Hygiene (DHMH), conducts an annual audit to ensure all student health records are current and complete. The School Nurse will contact you about any discrepancies and you will be expected to provide requested documentation promptly. Delays in compliance will result in your child not being able to attend school.

HEALTH SCREENING

A Parent/Guardian or Teacher may consult the Nurse at any time during the school year with concerns about a child's health and well-being. The Nurse will coordinate resources and collaborate with School personnel and the Parent/Guardian in effort to best serve the child's needs. All student health information is kept strictly confidential (HIPAA law).

Vision or Hearing screening can be requested for an individual student at any time throughout the year; the Nurse will schedule the testing. Please understand that limited resources and equipment constraints no longer allow for school-wide screening at St. Pius X. Your Physician/Licensed Provider may be able to provide in-office screening, or can refer you to professional Audiology and/or Ophthalmology service providers in your home area.

Each child applying for admission to St. Pius X Regional School is charged an Application Fee (whether a sibling of a currently enrolled student or not). The fee is payable at the time of application and is not refundable. The fee covers the administrative costs of the application and assessment process.

FUNDRAISING SUPPORT OBLIGATION FEE

To help fund the yearly Grant to the School by the Home and School Association each family will be charged a Fundraising Fee (FSO) included in tuition. The Principal with the approval of the Pastoral Administrator and the Home and School Executive Board will determine the amount of the fee.

VOLUNTEER SERVICE PROGRAM FEE

The first Volunteer Service Program (VSP) fee for the current year for families with students in grade 8 and for unworked hours from the prior school year will be billed in August. These bills must be paid upon receipt.

RE-ENROLLMENT FEE

A per child fee is charged for all currently enrolled students of St. Pius X Regional School who wish to renew their enrollment for the next school year. The amount of the fee is determined by the Advisory Board with the approval of the Principal and Pastoral Administrator. The fee covers the administrative costs of the re-enrollment process and Home and School Association dues.

RETURNED ITEM FEE

This \$25.00 fee is charged on all checks returned by the bank for any reason. The fee may be charged in addition to any late fee. All replacement payments must be made in cash, certified check, Bank Check, or Money Order only. This fee is applied to all checks payable to the School or the Home and School Association.

FUNDRAISING SUPPORT OBLIGATION PROGRAM

Fundraising by the Home and School Association (HSA) provides the money for many programs that directly and indirectly benefit all of our school children. In ensuring that the burden of fundraising is shared by all families whose children benefit, a Fundraising Support Obligation Program (FSO) has been established.

This program gives families the option of paying the FSO fee on a prepaid basis or paying the fee and

earning a rebate through participation in the designated fundraising activities.

The FSO fee amount will be determined each spring for the following year. This figure will be based on how much money the HSA determines it will need to raise through fundraising activities.

Each year the officers of the HSA will determine the fund-raisers that will be held. They will publicize the fundraisers that will qualify for participation in the FSO, including the profit rate (how much credit each family receives for participation). Each family that participates in a designated fundraiser will receive a statement from the HSA showing the credit they have earned toward their rebate. These statements should be kept until the rebate has been received.

The Bursar will collect all funds from the program by billing all families. The HSA will notify the Bursar when a family has met the full Fundraising Obligation. Refunds will only be issued to those families who reach the minimum \$125.00 fee. No partial refunds will be given. **Refunds will be in the form of a tuition credit to a family's TADS Tuition Management account for the following school year. Credits will not be issued if there are any outstanding financial obligations.** Checks will only be issued if a family is not returning to St. Pius. Refund checks will be issued in June or July.

SPONSORED COLLECTIONS FOR CHARITY

The school's policy on charitable fundraisers is that they are held at the discretion of the administrative staff with leadership provided by the Principal. Parents are welcome to suggest candidate charities to the Principal. Charities are generally selected on a case-by-case basis with heightened attention given to current events that have affected the school or local community. The selection of the candidate charity also puts weight on avoiding repeat fundraising for the same charities within the same one or two years.

VOLUNTEER SERVICE PROGRAM

In the continuing effort to support the spiritual, physical, social and financial needs of the school and ensure that this burden is uniformly distributed and shared among all families, a Volunteer Service Program (VSP) has been established.

All parent and grandparent volunteers who have substantial contact with St. Pius X Regional School students are required to be in compliance with the Archdiocese of Washington Child Protection Policy. Information on the compliance process, including the criminal background investigation, is available in the school office.

The Volunteer Service Program gives families the option of:

1. Doing a predetermined number of hours of creditable service on approved school activities and school projects; or
2. Making a monetary payment in an amount set by the School.

At the time of enrollment and re-enrollment through TADS each family is required to complete a Volunteer Service Program Agreement online for the next school year. **The agreement gives the family the option of either working the required hours by June 30 or making a monetary payment. Parents of eighth grade students with no other children at St. Pius X School must complete their required hours by June 1.** A list of approved activities from which to choose is on the agreement and advertised in the *Thursday Newsnotes* when volunteers are needed. The names of the chairpersons of all programs are printed in the front of the Family Directory each year.

It is the responsibility of the parent to contact the work chairpersons to volunteer for a particular job.

It is the responsibility of each parent to be sure a VSP receipt is filled out **clearly where the name of the family and child is legible** and signed by the work chairperson. These completed forms are then given to the committee chairperson. Parents must keep their copies of these receipts well into the next school year in case questions arise.

The Home and School Association keeps records of all VSP hours worked. The Association will appoint a chairperson or persons to collect, collate, and record all hours worked. **Notification of unworked hours is sent to the Bursar for billing with the tuition/fees in July or August.** All discrepancies involving prior year hours must be settled by the parent/guardian prior to October 1. If this has not been reconciled by October 1 the parent/guardian will be held responsible for payment.

TRAFFIC PATTERNS AT ST. PIUS CAMPUS

PRE-K: Drive through the main entrance at the traffic light to the St. Pius X School Campus. Proceed to the left of the Middle School wing, around the back of the school, and park near the rear of the church by Nelson Hall. Drivers of Pre-K children are permitted to exit the school grounds using the east church exit. We ask that all drivers use extreme caution on the exit route for Pre-K.

All entrances and exits to the St. Pius Campus are through the main entrance at the traffic light. The side driveway is not to be used during school hours. **A ten (10) mile an hour speed limit is to be observed at all times while driving on St. Pius X School Property.**

MORNING:

Drop-offs are to be made by using the Main Entrance driveway at the traffic light, proceeding to the left of the Middle School Wing, around the back of the school, then along the side of the Church to the front of the School. Stay on the drive closest to route 450, **not** closest to the school. Pull up as far as possible before the turn going out so that traffic can move with greater ease. **Students may only be dropped off in front of the school building.** Staff personnel will provide directions at the Main Entrance to ensure safety and traffic flow. **Passing of cars discharging students is not allowed. If you need to come into the school building or accompany your child(ren) to line, please park your car in the back of the school behind Nelson Hall. No child(ren) may be walked to line by parents from the side/faculty parking lot. Please do NOT bring dogs.**

During inclement weather  **the morning traffic pattern changes.** Follow the usual pattern around the side and rear of the school building then drive in front of the classrooms (by the sidewalk), pull all the way up to the front door, stop and discharge passengers. Staff personnel and patrols will be stationed at the traffic cones. It is very important that you follow their directions.

AFTERNOON:

Please note the traffic pattern in the afternoon is different from in the morning. Cars enter at the Main Entrance at the traffic light and immediately turn right into the parking lot driving parallel to the planters, Cars will go around the planters forming six rows of car lanes parallel to the school and facing the Main Entrance. Once those lanes are filled, incoming cars will continue to form four more rows of car lanes between the planters and the grassy area near route 450 and facing the side driveway. Please follow the directions of Staff personnel.

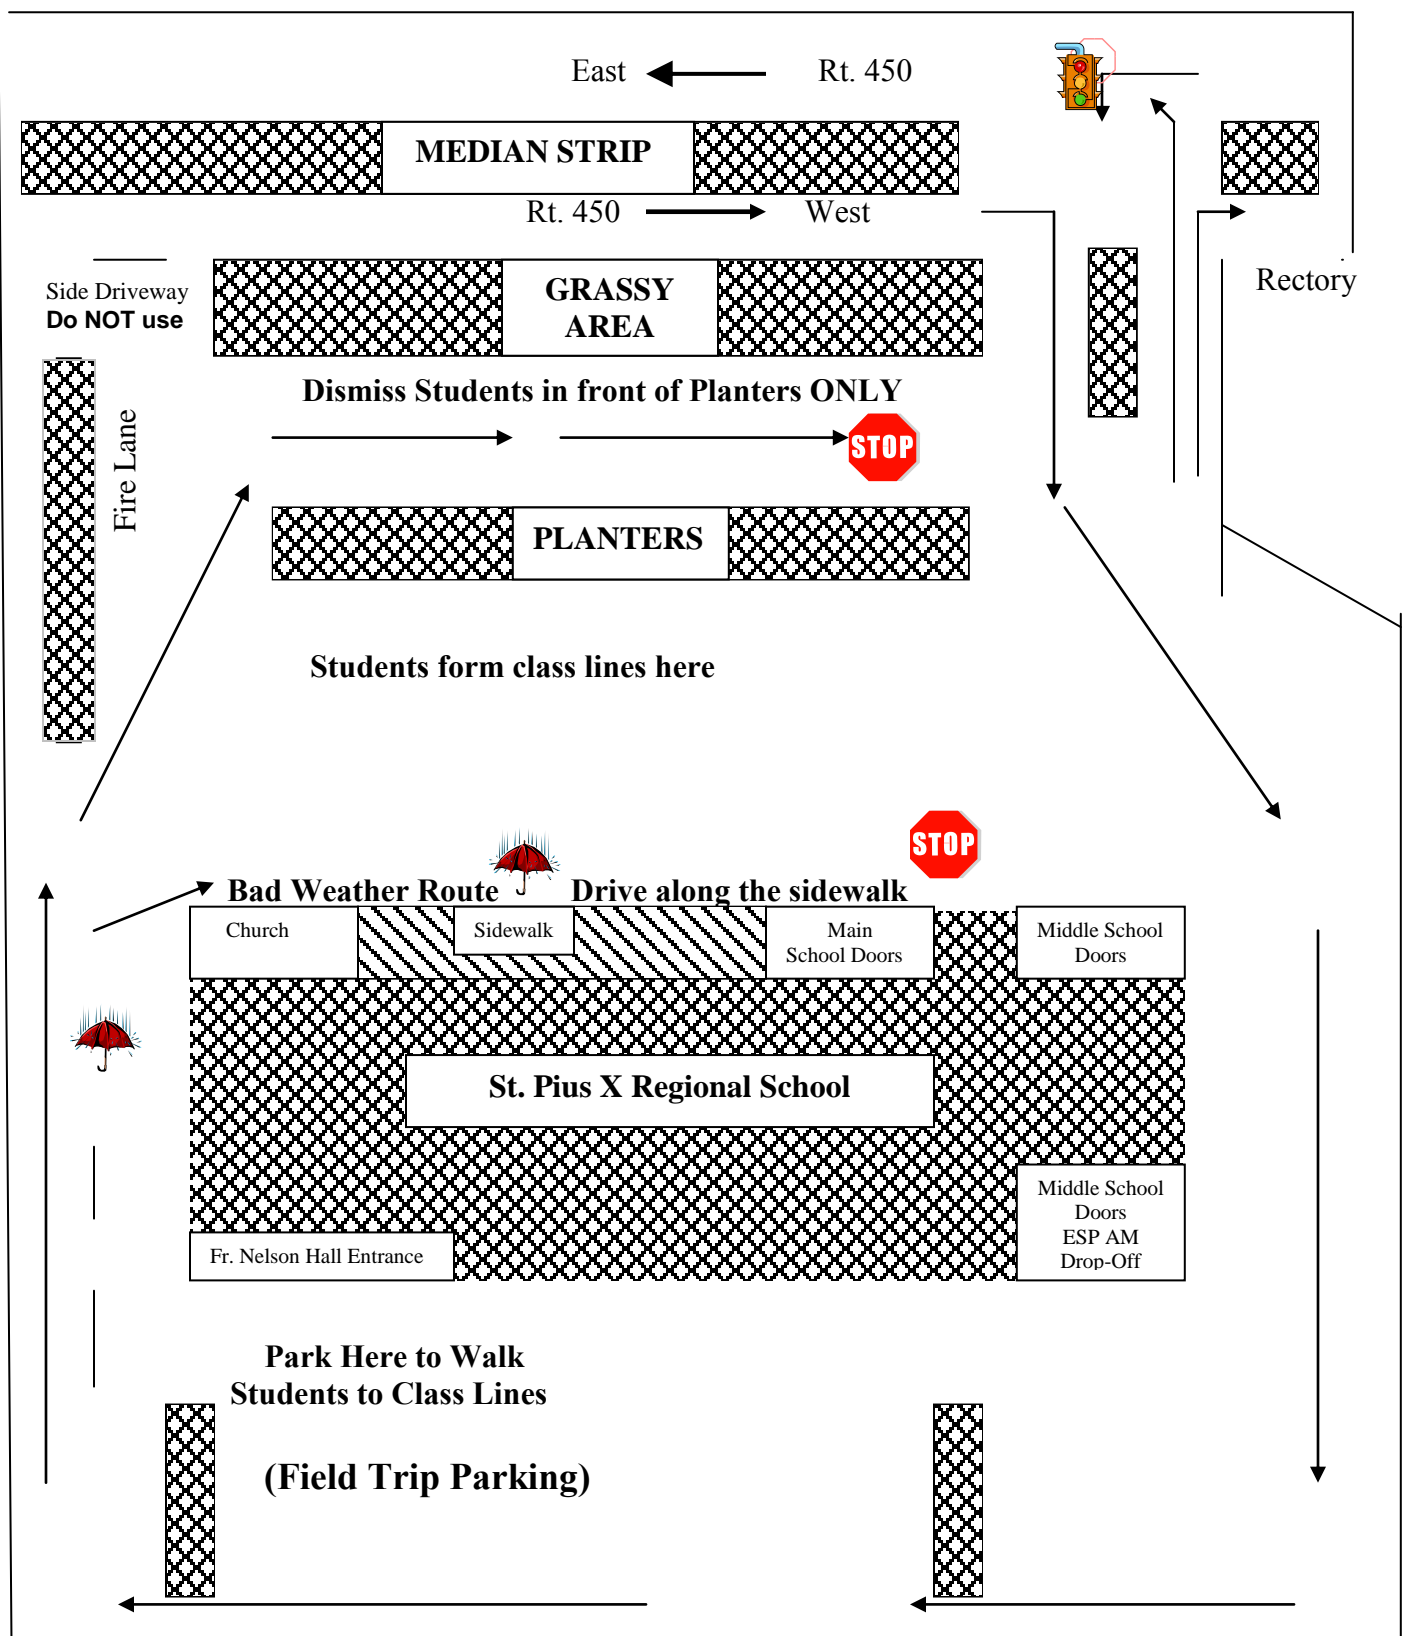

When the front parking lot is filled or after the dismissal bell rings, incoming cars will be directed to follow the morning entrance route pattern along the Middle School Wing and around the back of the building, finally stopping at the front corner of the Church where parents will need to wait for the second group of carpool dismissal.

When parked, no car may extend past the planters/parking space lines to ensure fire and emergency access lanes remain clear at all times. While in the front parking lot, all cars must be parked with the engine off. Car engines must remain off until all cars have been loaded and the signal is given to begin leaving the lot. Parking along the curb in front of the School building is **not** allowed.

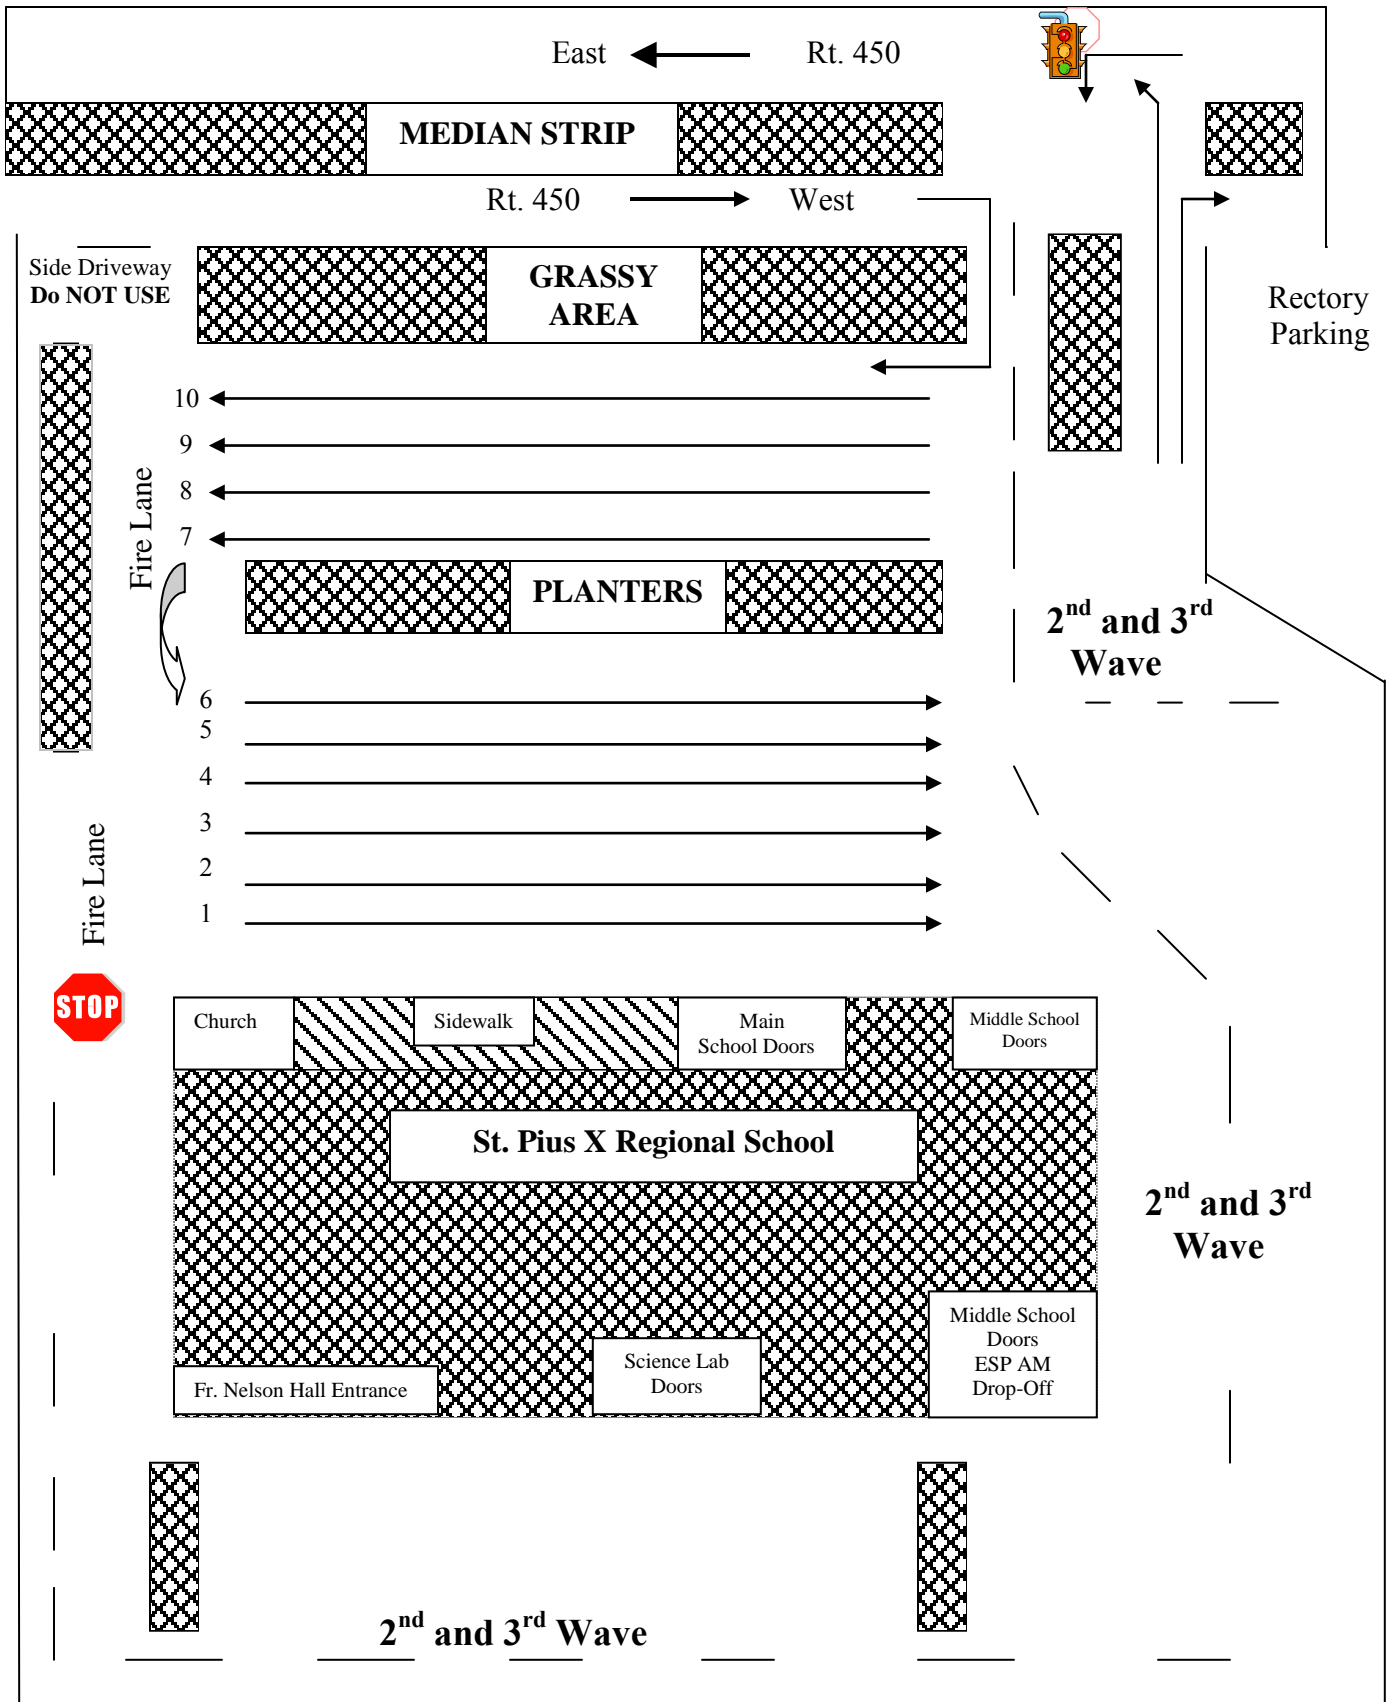

Students, after the 1st wave, will return to assigned classrooms while waiting for their carpools. When the bell is rung they may leave the classrooms for their cars.

Students are not permitted to enter cars parked along the Middle School or along the Church driveway.

MORNING ARRIVAL TRAFFIC PATTERN AT ST. PIUS CAMPUS

AFTERNOON DISMISSAL TRAFFIC PATTERN AT ST. PIUS CAMPUS

CROSSING GUARD

A crossing guard will be on duty during arrival and dismissal times. Students living across Route 450 **must cross with the crossing guard.** Drivers must obey the directions of the crossing guard.

SAFETY PATROLS

Our safety patrols are there for the safety of your children. These patrols have rules to follow and strive to enforce them; please obey their directions.

WALKERS AND BIKE RIDERS

All students, whether they walk, ride bikes, or are in carpools, must obey the crossing guard, all safety rules, patrols, and respect other people's property (grass, trees, and bushes) on the way to and from School. Only bike riders are allowed to use the bike path.

Children who are not accompanied by an adult or do not have a walker's pass are not permitted to walk to school and from the school property beginning the last Friday of September.

Parents who wish to have their children routinely walk to school and from school unaccompanied by an adult must submit to the school office a request form for a yearly walker's pass. Yearly walker passes will be issued to only those students who live within walking distance of the school (to be determined by the school) or to those whose caregiver (grandparent, relative or babysitter) lives within walking distance of the school.

Requests for a temporary pass may be made for special situations such as visiting a friend's home, special child care arrangements or other such circumstances. Request forms for daily walker passes must be submitted 24 hours in advance and will be granted on a case-by-case basis.

Request forms for both yearly and temporary walker passes are available in the school office or on our website www.stpiusbowie.org.

PREVENTION PROGRAMMING

As a Catholic school, St. Pius X Regional School believes and teaches that each of us is called to love our neighbor and to treat them with respect. St. Pius X Regional School is committed to providing a physically safe and emotionally secure learning environment that is free from bullying, harassment, and intimidation in any form, including cyberbullying. Bullying, harassment, and intimidation of any member of the school community are prohibited. All reports of bullying, harassment, and intimidation will be treated seriously. The principal's review and investigation of a credible allegation will be done in a prompt, confidential, and thorough manner.

Reprisal or retaliation against anyone who reports acts of bullying, harassment, and intimidation is strictly prohibited. All reports of reprisal or retaliation will be treated seriously. The principal's review and investigation of a credible allegation will be done in a prompt, confidential, and thorough manner.

Bullying, harassment, and intimidation mean any intentional written, verbal, or physical act, including electronic communication (telephone, cellular phone, computer, pager, iPod, etc.), that:

1. Physically harms an individual; damages an individual's property; substantially interferes with an individual's education or learning environment; or places an individual in reasonable fear of harm to the individual's person or property; and
2. Occurs on school property; at a school activity or event; on a school transportation vehicle or bus; or substantially disrupts the orderly operation of a school.

DISCIPLINE

- A. The primary consideration in all disciplinary decisions is the obligation of the School to provide and maintain a safe place for students and an acceptable learning atmosphere. The common good of the students and of the School will prevail.
- B. The school is committed to providing a physically safe and emotionally secure learning environment that is free from harassment or bullying in any form, including cyber bullying. Harassment or bullying of any student by any other student, lay employee, volunteer, religious or priest is prohibited. All reports of harassment or bullying will be treated seriously. The principal's review and investigation of a credible allegation will be done in a prompt, confidential, and thorough manner.
- C. Students are expected to behave in a Christian manner at all times.
 1. Respect and cooperation for/with faculty, staff, volunteer parents/guardians, substitute teachers and fellow students are required.
 2. Respect for the rights and safety of others is required.

- D. The school reserves the right to restrict what a student may bring to school including, but not limited to, pagers, cellular phones, audio/electronic equipment, trading cards, excess money, etc. Such items as these are not allowed in school, on field trips, or at school sponsored activities.
- E. In consultation with the Pastoral Administrator, the Principal reserves the right to disenroll a student at any time for serious behavioral infractions.

F. Disciplinary Actions – **Grades Pre-K – 4**

1. Each teacher will establish rules of expected student behavior.
2. Each teacher will establish age/grade appropriate guidelines for accountability (no recess, written punishment, afterschool detention, etc.)
3. Both parents and students will be informed of these rules and the consequences of not following them at the beginning of school.

G. Disciplinary Actions – **Grades 5 – 8**

1. Demerit/Detention System:

- a) There is a uniform and centralized demerit/detention system for discipline.
- b) If a teacher deems it necessary to give a student demerits, a demerit slip will be sent to the Vice Principal's Office. The Vice Principal will monitor the accumulation of demerits by each student and schedule a detention for the student according to the following schedule:

Six (6) demerits –

After school detention from 3:00 P.M. – 4:00 P.M.

More than two (2) detentions annually –

1) letter sent home

2) possible parent conference

- c) Four (4) detentions annually will result in an automatic out-of-school suspension. If a student is suspended due to the accumulation of four (4) detentions, thereafter, the accumulation of two (2) detentions will result in another out-of-school suspension and the child being placed on disciplinary probation. If the trend continues, the student will be subject to expulsion.
- d) A notice will be sent home with your child the Thursday before the detention is to be served if your child is required to attend detention. The School requires that the parents sign and return the notice to School on the following Friday. If the notice is not brought back signed, the parent will be called and the child will still be required to stay. A penalty of two (2) more demerits will also be recorded against the child's record.
- e) If a student fails to attend a detention the child will be required to attend an additional detention for his/her failure to attend.
- f) **A student's name will not be included on the Honor Roll for any quarter during which he/she receives a detention.**

2. Cheating is considered to be a serious matter. If a student is caught cheating, the child will receive a zero on that assignment or test. A parent will be contacted to discuss the cheating and possible future actions.
3. Forging of a parent/guardian signature by a student seriously interferes with the School's ability to communicate with a student's parents. A forgery will result in a call to the parent/guardian and a detention.

4. Suspension:

- a) Four (4) detentions will result in an automatic suspension.
- b) In other serious cases of the violation of school rules and regulations, when all other normal disciplinary procedures have been followed, it may be necessary to consider temporary in-school or out-of-school suspension.
- c) As soon as it becomes evident that the suspension of a particular student is appropriate, the student's parent/guardian will be notified and asked to confer with the proper school authorities about the matter.
- d) In all cases, written records of each suspension will be kept on file for the duration of the student's enrollment at the school.
- e) All schoolwork missed on days of suspension must be handed in to the Principal on the day the student returns to school before going to class. The student is responsible for finding out what material was covered in class during his/her absence. An additional written punishment as prescribed by the Principal will also be required at that time.
- f) Any student on suspension will not be allowed to participate in any extra-curricular, school-sponsored activities such as dances, field trips, band concerts, etc.
- g) In-school suspension will be used when feasible. In this approach, the student will be separated from his/her classmates (e.g., in a classroom or office) and perform the given class assignments as required by the teacher(s) under appropriate supervision. This suspension will be no longer than three (3) days.

h) Out-of-School Suspension:

- 1) Any student who displays chronic and incorrigible misbehavior, which undermines classroom discipline, undermines playground discipline and/or impedes the academic progress of other class members, will be subject to a one to three day suspension. After a second suspension because of this misbehavior, the student will be subject to expulsion.
- 2) Fighting, stealing, vandalism, and endangering the safety/health of others are serious offenses, which can result in suspension or expulsion.
- 3) Habitual intimidation, abuse, or harassment of other students can result in suspension or expulsion.

NOTE: Unlike in-school suspensions, a student on an out-of-school suspension is not permitted on school grounds. As such, the student is under the supervision and guidance of her/his parent or guardian.

i) **Any suspension will result in the child being placed on disciplinary probation for a period of one year from the date of the suspension.**

- 1) **A child who is placed on disciplinary probation will be required to meet with the school counselor monthly during the probationary period.**
- 2) **If the child receives another suspension during the probationary period, he/she will be subject to expulsion.**

j) Procedures followed for suspension:

- 1) Student and parents are given an oral or written explanation of the child's misconduct.
- 2) Student is given an opportunity to present his/her side of the story in conference with School authorities.
- 3) Length of suspension determined after all concerned parties are heard. Suspension shall not exceed three (3) days.

4) Expulsion:

- a) This action is viewed as a radical action at which point the School is saying that the student's interests would be better served in another environment, or that the individual's behavior is a serious threat to the

School community or both.

- b) The following are some possible situations which may merit expulsion. Grounds for expulsion are not limited to this list.
- 1) Continued and willful defiance/disobedience of authority
 - 2) Physical assault
 - 3) Possession of alcohol or drugs
 - 4) Trafficking in pornographic material
 - 5) Serious theft
 - 6) Fighting
 - 7) Endangering safety/health of others, including the possession of weapons
 - 8) Possession and/or use of fire crackers, ammunition, or other explosives
 - 9) Arson, extortion or other criminal activity
 - 10) Serious defacing or destruction of school property
 - 11) Gross conduct disorder (inciting mob-like response)
 - 12) Vandalism
 - 13) Accumulation of 2 suspensions
 - 14) Improper use of electronic devices

Please Note: The school reserves the right to take any disciplinary action it deems necessary to maintain the safety and well being of the school community.
